Mr. Wisner brought up the question of ^{prisoner} ~~personnel~~ exchanges in Korea and wanted to know if this should be brought before the P5. He agrees that there should not be forced repatriation but feels that the JCS do not provide adequate safeguards for American prisoners. Mr. Dulles will follow this.

Mr. Wisner mentioned the proposed answer to the [redacted] note stating that we should recommend to State Department what should be said on CIC operations [redacted]. This should be discussed with General Bolling and this will offer a good opportunity to take up the whole [redacted] situation. Mr. Wisner will draft recommendations for Mr. Dulles' approval.
